Juan Lechago, M.D., Ph.D.
Associate Professor of Pathology
University of California, Los Angeles
1000 West Carson Street
Torrance, CA 90509

Dear Juan:

The CTR and all of us appreciate your presentation at the IAP International meeting in September. I heard it was very good, one of the high points of a rather poorly attended meeting.

The check for your expenses is enclosed.

Best wishes,

Sheldon C. Sommers
